5.Advantages & Disadvantages:-

5.Advantages & Disadvantages:-

Advantages:-

1.students become more attentive during lectures.

2.fear and anxiety about exams in students is reduce and it makes sudents more ready for their final or external exams.

Disadvantages:-

1.some times partiality and bias-ness may occur.

2.Teachers may miss-use this for their own benefits.

Applications:-

There are changes that teacher may misuse it for they

Applications:-

There are changes that teacher may misuse it for they are own benefits. Also,in the hand of the in experienced and insincere teacher, it can cause harm to student. Most note worthy ,it will lose its importance due to unfairness.Favoring a student and bias-ness.

7.Conclusion:-

1. It would probably be particularly difficult to develope and candidate with internal marks centric strategies.

2. If CRM is used must be with the implimenting of those at the highest level and it must be planned carefully.

8.Futurescope:-

the

1. It would probably be particularly difficult to develope and candidate with internal marks centric strategies.

2. If CRM is used must be with the implimenting of those at the highest level and it must be planned carefully.

8.Futurescope:-

the improve features of CRM software have incresed both its complexcity and necessity.
